

NGO EVALUTION

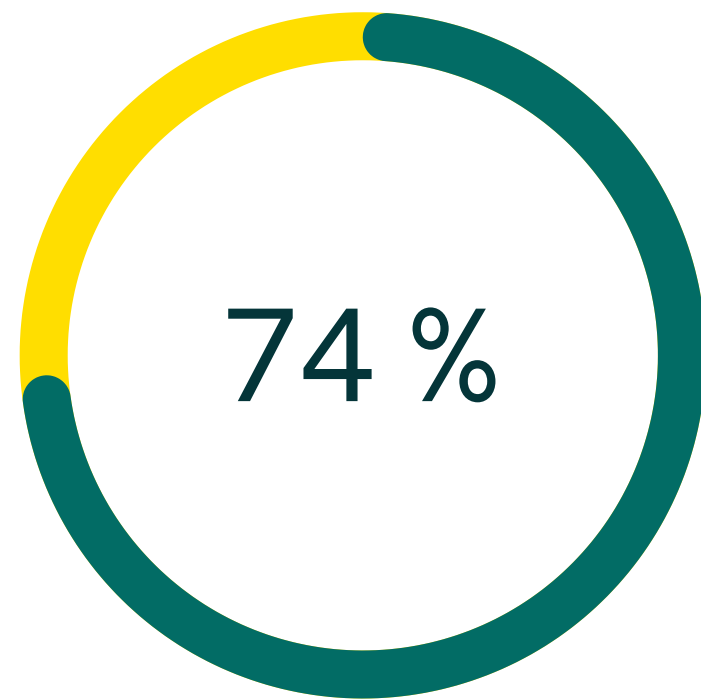

ESTABLISHED 2011

Mission :
Improve our community through development of our organization. Sharing with each other is an important basic criterion for improving the quality of life.

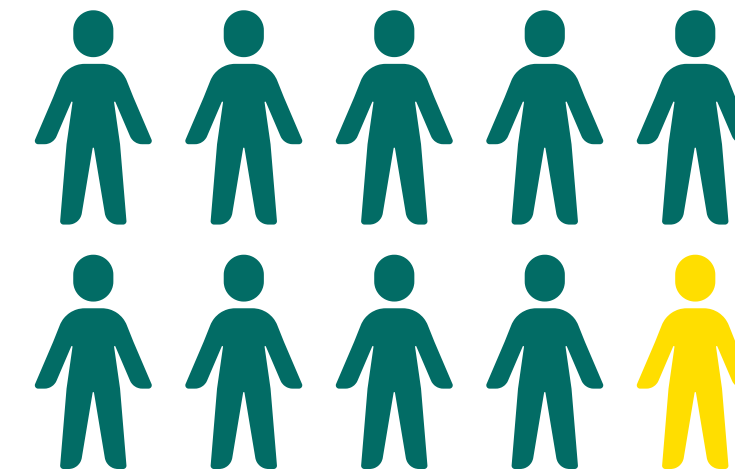

We believe - of all the growth paths, investment in people is most important.

GENERAL PROFILE OF NGO

WE ARE A TYPICAL RURAL VILLAGE COMMUNITY IN LATVIA. CLOSED LOCAL SCHOOL. LIMITED ACCESS TO CULTURAL & EDUCATIONAL ACTIVITIES AS WELL AS SOCIAL SERVICES.
NGO - AN INSTRUMENT TO ADDRESS THE NEEDS OF THE LOCAL COMMUNITY

Project based activities

Only 10% of members are younger than 20 years

BETTER LIFE IN COUNTRYSIDE

Our development strategy is aimed at increasing the quality of life of local people. Needs of local people are related to well-being, safety for themselves and their loved ones, healthy and secure aging, clean and aesthetic environment, the opportunity to learn, collaborate and develop creatively.

Main activity directions

Since 2011 we have tried to understand better each other and find things that works best for us. We are dependent on the financial support available from funds and local government, but we have developed traditions that with joint effort are held annually no metter what - and thats the magic - people make things happen.

1
